

FACE

CLEANSING/EXFOLIATING

Gentle Cleansing Milk 19 €
(200 ml - 6.76 fl.oz)
This rich milk with laminaria seaweed extract delicately removes impurities and make-up.

Fresh Toning Lotion 34 €
(400 ml - 13.52 fl.oz)
This alcohol-free lotion enriched with minerals and marine trace elements is the perfect complement to remove all traces of make-up. It stimulates and protects the skin.

Foam Cleansing Gel 19 €
(200 ml - 6.76 fl.oz)
This foaming gel enriched with algae and seawater cleanses and removes make-up while refreshing the skin.

Oyster Pearl Exfoliant 38 €
(75 ml - 2.53 fl.oz)
The use of Oyster Pearl gives this exfoliating gel a gentle, regular polishing effect, whilst the jojoba micro pearls remove impurities and dead cells leaving the skin feeling smooth, radiant and soft. Suitable for sensitive skins.

MASK

Soothing Moisturizing Mask 39 €
(75 ml - 2.53 fl.oz)
This cream mask restores hydration* and comfort to the epidermis through its concentration of plant oils (phytosterol and sweet almond oil). The skin feels velvety soft and smooth.

High Tolerance Mask 41 €
(75 ml - 2.53 fl.oz)
This fragrance-free cream mask calms and eases sensitive skin with a soothing complex (Marine Spring Water and Plant Extract) and a relaxing active ingredient that stimulates the production of endorphins. The skin regains comfort and well-being.

WATER

Isotonic Marine Water 26 €
(200 ml - 6.76 fl.oz)
The association of isotonic seawater with soothing, moisturizing vegetal complexes* work in osmosis with the epidermis to restore tone, softness and

energy. A fine rain of well-being, a refreshing Saint-Malo sea mist for the skin.

CREAM

Soothing Moisturizing Cream 46 €
(50 ml - 1.69 fl.oz)
This light and melting cream moisturizes the skin lastingly and restores elasticity, comfort and softness through the targeted, complementary action of laminaria seaweed, hyaluronic acid and plant triglycerides.

High Tolerance Cream 49 €
(50 ml - 1.69 fl.oz)
This melting, fragrance-free cream allows sensitive skin to regain and maintain optimum comfort through a soothing marine- and plant-based active ingredient, combined with a relaxing active ingredient.

Matifying Comfort Fluid 46 €
(50 ml - 1.69 fl.oz)
This light, fluid cream tightens the pores and mattifies the skin thanks to an extract of Enantia chlorantha (African tree) that reduces sebum secretion and shine.

Nourishing Regenerating Cream 55 €
(50 ml - 1.69 fl.oz)
Rich in nourishing ingredients (cranberry oil and arnica oil) and remineralising agents (algae), this cream nourishes the skin with a dual strengthening and soothing action.

Elasto-Smoothing Cream 58 €
(50 ml - 1.69 fl.oz)
This richly-textured cream effectively combats cutaneous ageing through the association of marine collagen with a peptide complex. The skin regains its elasticity and tone to feel beautifully smooth.

SERUM

Anti-Wrinkle Intensive Serum 69 €
(50 ml - 1.69 fl.oz)
This effective concentrate helps reduce lines and wrinkles, thanks to the combination of two algae extracts that stimulate the skin's natural defences and activate collagen and elastin synthesis. The skin looks smooth and less lined with each passing day.

PRODUCTS CATALOG 2011

Thermes Marins de Saint-Malo Spa Cosmetic is a **Marine and Natural Cosmetic** (paraben free and mineral oil free) which combines **Sensoriality** (fine textures and sophisticated perfumes) and **Efficiency** (efficacy test performed by an independent laboratory under dermatological control).

Global Anti-Age Line is composed of 3 exceptional «premium» products to claim multiple global anti-aging actions. These three products contain an innovative and exclusive oyster spat extract encapsulated, with proven effectiveness in slowing down the skin aging.

Face & Body Line is composed of 27 products, with the best marine and plant active ingredient in optimal concentration to meet all the needs of all skin types."

GLOBAL ANTI-AGE

Global Anti-Âge
The Cream
86 €

(50 ml - 1.69 fl.oz)

The exceptionally rich, soothing treatment provides a unique answer to slow down ageing by delivering a chrono-biological compound straight to the heart of the epidermis. It combines an innovative and exclusive oyster spat extract with an anti-age complex of active ingredients. The skin is toned and immediately smoothed, recovering its vitality and original radiance.

Global Anti-Âge
The Serum
92 €

(50 ml - 1.69 fl.oz)

This ultra-concentrated exceptional treatment combines the innovative, exclusive oyster spat extract with anti-age active ingredients to attack the signs of aging on all fronts: wrinkles, fine lines, loss of tone and radiance. The skin is immediately moisturized*, smoothed and toned.

Global Anti-Âge
The Body Cream
69 €

(150 ml - 5.07 fl.oz)

The exceptionally rich, soothing Body Cream provides a unique answer to slow down ageing by delivering a chrono-biological compound straight to the heart of the epidermis. It combines an innovative and exclusive oyster spat extract with an anti-age complex of active ingredients. The skin is moisturized* and nourished, becoming immediately firmer.

BODY

CLEANSING/EXFOLIATING

Toning Shower Gel 16 €
(200 ml - 6.76 fl.oz)

This fresh, toning gel gently cleanses the skin with a brown alga extract that maintains the hydration of the outer layers of the skin.

Gentle Shampoo 18 €
(200 ml - 6.76 fl.oz)

This gentle shampoo respects the balance of the scalp and helps preserve the hair structure. Laminaria seaweed provides the scalp with essential fortifying and remineralizing active ingredients (trace elements, minerals, vitamins, etc.).

Cream Algae Soap 14 €
(150g - 5.29 oz)

Specially formulated for sensitive skin, a gentle cream and algae base soap that leaves a protective moisturizing film over the skin.

Exfoliating Algae Soap 14 €
(150g - 5.29 oz)

The particles of Chondrus crispus red seaweed remove surface dead cells. The original shape of this soap enables an energetic massage.

Marine Salt And Clay Scrub 32 €
(200 ml - 6.76 fl.oz)

Enriched with Guérande salt and marine clay, this luscious cream eliminates dead cells and impurities, at the same time as remineralising the epidermis. The plant oils soften the skin, whilst the floral cornflower water complements the skin treatment with relaxing and decongestant properties.

MOISTURIZING/NOURISHING

Gentle Hand Cream 29 €
(75 ml - 2.53 fl.oz)

This silky cream protects and softens the hands with a combination of three plant waxes and a brown alga extract that protect the skin from dehydration. It is non-greasy and leaves the skin soft and satiny.

Velvet Moisturizer 34 €
(150 ml - 5.07 fl.oz)

This velvety lotion restores the skin's softness and tone thanks to hydrating* active ingredients (Shea, Vitamin E) combined with stimulating minerals (magnesium, silicon, etc.) from algae.

Nourishing Melting Cream 42 €
(150 ml - 5.07 fl.oz)

This ultra-rich cream with a very soft touch offers instant comfort. It is enriched with repairing shea butter and moisturizing agents of natural origin to restore the skin's suppleness and vitality. Brown algae and spirulina extracts guarantee sustained skin hydration*.

Velvet Moisturizing Serum 48 €
(150 ml - 5.07 fl.oz)

With its novel texture, this body serum enhances the skin leaving a velvety satin finish. A brown algae osmolyte guarantees optimum regulation of the skin's hydration*.

CONTOURING

Contouring Cellu-Smoothing Gel 49 €
(150 ml - 5.07 fl.oz)

This rapidly-absorbed slimming gel uses caffeine to destock and eliminate fat and silicon derivatives to improve the skin tone and firmness. Algae extracts containing spirulina produce a firming effect to round off this gel's action.

Firming Smoothing Cream 44 €
(150 ml - 5.07 fl.oz)

This rich cream restructures the skin and makes it more resistant and toned with wheat germ oil, vitamin F and spirulina algae. In addition, wheat protein extract tautens the skin and horsetail, laminaria seaweed and silanol extracts help to reinforce the dermis and improve the skin's elasticity.

Fresh Leg Toning Gel 36 €
(150 ml - 5.07 fl.oz)

The active principles of this refreshing gel act on three levels : Horse chestnut and butcher's broom extracts combined with algae and seawater produce a toning effect. Rosemary and sage essential oils bring a pleasant feeling of well-being. Menthol has a refreshing action and gives immediate relief. This gel provides instant well-being and restores vitality to tired legs.

BATH

Non Foaming Algae Bath 36 €
(400 ml - 13.52 fl.oz)

Enjoy the benefits of spa therapy and the vital energy of the sea in your own home. Thanks to its high mineral content, laminaria seaweed provides the basic stimulating elements (magnesium, zinc, calcium, vitamins, etc.). The delicate balance of this seawater containing sixty trace elements reinforces the invigorating and toning action of this bath product.

Emerald Sea Crystals 19 €
(500g - 17.64 oz)

These delicately-scented crystals, the colour of the Emerald Coast, release the wealth of sodium, potassium and magnesium contained in laminaria seaweed into the water, for a relaxing feeling of well-being.

*moisturizes upper layers of the epidermis.
